MY SPIRIT S MUSINGS (PAPERBACK)

Xulon Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Reflecting God s Image My Spirit s Musings is Nadine Drayton-Keen s second collection of poems. The poems in this book emphasize the importance of living a life that reflects godly characteristics or the image of God. Essentially, her poems describe God s image or His characteristics as holy and righteous living-true Christlikeness in action. Although Nadine s poems are not lengthy, it took me a while to get through each one. This is because the words are so masterfully woven together that they elicit such reflection and deep thought. After completing each piece, I paused to meditate on how her words connected so deeply to my own experiences. Through each piece, I felt as if she had divine insight to what was going on in my life. This solidifies to me that Nadine s work is inspired and guided by the Holy Spirit. I look forward to more of her literary offerings. - Sherell M. Fuller Ph.D., Assistant Professor, Winthrop University I thoroughly enjoyed reading Nadine Drayton-Keen s raw, insightful and astute observations of life. Her book of poetry shows us that there is hope after the pain and that there is still more to look forward to in our own lives. Lord, grant me the eyes and the strength to see the world as she does and then proclaim the hope and the life that we all wish to attain. - Elbert LaGrew M.Div., former Church Planter, Bi-vocational Minister, writer and poetry reader Nadine Drayton-Keen is one of the most prolific Spirit-filled poetess of our time-a very inspirational writer-and no doubt her thought provoking uplifting unique writings will be around for millions to read and gain true blessings from as I...
