ABC-CLIO, United States, 2000. Paperback. Book Condition: New. New.. 282 x 221 mm. Language: English . Brand New Book ***** Print on Demand *****.Stretch young minds to creative and productive thought with some of the best literature currently available. Polette shows you how to promote critical thinking, decision making, and problem solving through building excitement for the reading experience and increasing students active participation in learning. She offers suggestions for creative reproduction, elaboration, rearrangements and transformations of text to help children connect reading content to their own experiences. A wonderful resource for elementary and middle school teachers of the gifted, these books and activities can be used in any classroom. Also an important read for college-level courses on curriculum for the gifted and children s literature.
