

The Power of Words: How We Talk About People with Autism Spectrum Disorders Matters!

By Judy Endow

AAPC Publishing, United States, 2009. DVD. Book Condition: New. 188 x 135 mm. Language: English . Brand New Book. One in 150 children in the United States has autism. As an adult with an autism diagnosis, Judy Endow has experienced first-hand what it feels like to be the 1 in the 1 in 150. Based on a poem The Language of Us and Them (Shevin, 1987), The Power of Words combines words, pictures, and music to present examples of how the 149 talk about the 1 with autism, noting that even well-meaning and kind words can set the tone for acceptance or rejection as well as for inclusion or exclusion. While acknowledging the importance of a proper diagnosis, Judy warns about the damage and pain labeling can cause by separating and isolating. This powerful DVD inspires us to use language wisely.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
