THE EYE OF THE STORM: THE VIEW FROM THE CENTRE OF THE POLITICAL SCANDAL (HARDBACK)

Biteback Publishing, United Kingdom, 2014. Hardback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. MPs expenses in 2009. Phone hacking in 2011. Plebgate in 2012. If a good speech or a groundbreaking new policy fails to get people talking, you can be sure a juicy scandal will do the trick. Our instantaneous news culture of social networks, blogs and Twitter feeds means politicians now, more than ever, can find themselves the focus of every journalist in the country in what seems like the blink of an eye. But behind this hostile media landscape, behind the storm of camera flashes and the clamour of opponents on all sides baying for blood, are the politicians themselves. With the benefit of personal interviews and access to senior officials including Vince Cable, Andrew Mitchell and Jeremy Hunt, Rob Wilson MP details what it s really like to be at the heart of a relentless media onslaught. Describing both the emotional upheaval and the strategies employed as politicians try to navigate through careers seemingly hanging by a thread, Wilson reveals the extraordinary political and personal stories behind the public drama; the real impact on those who live in the eye of the storm.
