Tremennek Publications, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Grave Consequences is a gripping tale of medieval passion and modern day conspiracy set in Cornwall, Spain and North Africa. It is a compelling time-slip novel surrounding the connection between the total destruction of a castle in West Cornwall in the thirteenth century and the discovery of a Templar grave in Spain eight hundred years later. Templars, Saracens, the Holy Grail, secret societies, the divide between Christianity and Islam, intense love and deep hatred all figure here in an historical mystery with an intriguing final twist.
