ALPHACAT (HARDBACK)

[DOWNLOAD](#)

Officina Libraria, Italy, 2013. Hardback. Condition: New. Gabriella Gallerani (illustrator). Language: English . Brand New Book. *A perfect gift for all cat-loving readers*Illustrations are high quality and unique. A great way to learn about cat breeds (each has a short description) Alphacats are an elite breed: they are cats with a pedigree (well, most of them) and painted almost hair by hair by scientific illustrator Gabriella Gallerani and here honored in alphabetical order. Beautifully rendered in full color, to each, their own letter - around which to climb, hide, stretch, play, yawn or simply show off. Thus, A for Angora, B for Bengal, C for Ceylon, D for Devon Rex - But Alphacats are also the cats that have made history - literature, movies, cartoons, music and the happiness of writers, scientists, kings and politicians. The names of over 300 alpha cats, with just as many witty stories and feline anecdotes, creates a repertoire of the unique and memorable characters that make each cat worthy of a name. From Boise, Hemingway s favorite, to Pulcinella, who inspired Scarlatti s Cat s fugue sonata, from Brilliant, Louis XV s beautiful Angora to Socks, the Clintons pet during their White House tenure, each letter of the alphabet has many inspiring names.
