Liberto Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The secret to creating more through color is based on the concepts used in the law of attraction combined with the effects of color on the human mind. According to the law of attraction, we bring things we desire into existence and attract through our thoughts and feelings. The belief is that we create what we think about most. You chose this book for a reason. While you are coloring, make sure that your thoughts and attention are genuine and blissfully on HAPPY. Notice what that looks like for you. Each page has an illustration of a symbol that represents HAPPY. This helps you to focus on detail while engaging in enjoyable creative coloring. In the process of creating HAPPY through the law of attraction, it is absolutely necessary to apply positive thinking. Creating more through color is intended to be an enjoyable, fun and stress free activity. So sit back and relax your mind and body. Doing this is known to increase brain power. Don t you want more of that? Pick a page that really jumps out at you! Seriously, you can start anywhere in this book. Be sure that you are really interested and excited about the page you are coloring. Keep your mind open to the creative energy you are putting into your masterpiece. As you color each page, your focus is now on the image that represents HAPPY. Your thoughts now become more positive, expansive, and creative. You won t even realize it but while you are engrossed in your coloring, your emotions will become happy, proud, and excited. These are only a few of the thoughts, feelings and emotions that have been experienced by many others while...
