Headline Publishing Group, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. More lessons and life from the Yorkshire Dales. All Teachers Bright and Beautiful is the concluding volume in Andy Seed's trilogy. As always, the book is peppered with the hilarious and heart-warming incidents that a life living and working with children inevitably contains. Andy Seed is sure to charm fans of Jack Sheffield and Gervase Phinn. Andy Seed is beginning his fifth year teaching at Cragthwaite Primary in the Yorkshire Dales, and as always a new term is full of surprises. These take the form of a beautiful, but not terribly bright, student on placement from the local teacher training college, and a particularly pushy and problematic parent with a fine line in complaining. It looks like Andy's pupils are the least of his problems. At home in Applesett, things aren't all rosy either. Barbara is forced to take a job as a postie to help pay the mortgage, which means finding someone to look after Tom and Reuben. When two old friends move into the village it looks like the problem has been solved, but it soon transpires that rural life is not for everyone. What readers are saying about All Teachers Bright and Beautiful: A sequence of classroom tales told with considerable wit and charm that will raise a chuckle and perhaps even make you shed a tear. Delightful read. Humorous, warm and really interesting finding out about all the little personalities of the primary school children he teaches. Another gem. The book flows nicely with alternating chapters about his school life and home life. A sweet book.
