St Martin s Press, United States, 2016. Hardback. Book Condition: New. 210 x 139 mm. Language: English . Brand New Book. This is a very silly book. There are lots of jokes (I mean it; there are hundreds). Also: dozens of stories, poems, diagrams, lists, and cartoons. If you like laughing, oh boy, watch out, because of the aforementioned jokes. Except they re not really jokes. They re more like entries in a contest for the Stupidest Sentence Ever Written. James Thomas decided a few years ago that he wanted to write comedy for the rest of his life. Write for comedy films. Write stand-up. Write humor books. Write funny T-shirt slogans. Write comic strips. Write absurd text adventure games. Write tweets. Write gags for the undersides of rocks. 80 he declared himself the President of Twitter and enjoyed his new-found glory sitting hunched over a rock with a crayon, putting the finishing touches on this very silly book. Inside you ll find nuggets of comedy gold, including How to Write a Sentence ; Edgar Allan Poe Goes to a Music Festival ; and Eleven Drafts of an Opening Paragraph. You ll also find Silver and Bronze winners of yet-to-be-determined micro comedy awards that you have to read to remember. And you can t miss the astonishing original illustrations of Dinosaurs of the Future (they re very big).
