HARBORWALK PHASE I, SIGNAGE SYSTEM: A PROPOSAL (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Harborwalk Phase I, Signage System: A Proposal Jon Roll and his associates have designed and implemented signage and identity projects at a number of points around the harbor, from 149 at The Navy Yard, to the Rowes Wharf Water Shuttle and Marine Industrial Park. These projects have been well received because they have respected the special historical and contemporary qualities of the waterfront, and because they are appropriate to their uses as well as their environments. Perhaps most important, the systems have been designed for long term maintenance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
